## Poster Specifications

### Venue

The poster sessions for 22ISL will be held at the Sydney Convention and Exhibition Centre, Darling Harbour. The posters will be displayed in the Parkside Foyer on Level 2 from Monday 21 September until Friday 25 September 2009.

### Poster Guidelines

The dimensions of your poster should be 1.0 metres wide x 1.2 metres high (portrait).

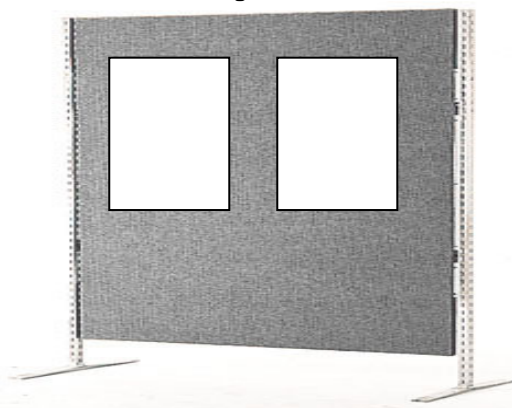

### Set Up and Dismantle

Posters should be mounted next to their allocated poster reference number by 8.30am on the first morning of the Congress. The poster area will be open from 7am. Adhesive material (Velcro) will be available from the Registration Desk where staff will provide a floor plan to enable you to locate your poster board. Please note there is a limited amount of adhesive material per person. Posters must be removed at the end of the Congress, no later than 2pm on Friday 25 September 2009.

### Dimensions for Posters

Maximum Width: 1.0 metres

Maximum Height: 1.2 metres

### Collection

All posters are to be taken down by the presenting author and removed from the poster area prior to the close of the Congress.

If there are more posters than positions you will be instructed where to put up and dismantle your poster.

If your poster is not collected by 2pm on Friday 25 September the venue will dispose of the poster.

***The 22ISL Organising Committee takes no responsibility for posters not collected by their owners.***
