

Friday 25 September 2009

Session I6A: Preventing and Minimising Lymphoedema

0900 – 0930 KEYNOTES

Parkside I10A

Chair: Nicole Stout and Co-Chair: Neil Piller

0900 – 0915 ENGAGING THE PATIENT TO TAKE CONTROL

Robyn Box (Australia)

0915 – 0930 STRATEGIES TO PREVENT LYMPHOEDEMA

Nicole Stout (USA)

0930 – 1030 Oral Presentations

0930 – 0940 How to Treat Lymphoedema at Home

Gilbert Thibaut (France)

0940 – 0950 Diary Keeping – Identifying the Triggers

Shirley Preston (Australia)

0950 – 1000 Secondary Lymphoedema From Trauma – Its More Common Than You Think

Shirley Preston (Australia)

1000 – 1010 Management of Lymphoedema. Options for the Patient

Neil Piller (Australia)

1010 – 1020 Empowering the Lymphoedema Patient

Jan Douglass (Australia)

1020 – 1030 The Importance of Patient Information for the Prevention of Lymphoedema

Eva AfTrampe (Sweden)

Session I6B: Teaching and Education

0930 – 1040 Oral Presentations

Parkside I10B

Chair: Jacqueline Todd and Co-Chair: Tom Zee

0930 – 0940 What Should a Really Good Childrens' Service Look Like?

Jacquelyne Todd (United Kingdom)

0940 – 0950 Teach the Teacher

Tom Zee (The Netherlands)

0950 – 1000 A Common Language

Oliver Gueltig (Germany)

1000 – 1010 Long Term Effects of a Training Program for Patients at Risk and Lymphoedema Patients

Janine Hidding (The Netherlands)

1010 – 1020 Preventing Lower Limb Lymphoedema by Improving Patient and Professional Education.

Helen Eason (Australia)

1020 – 1030 Teaching a Lymphoedema Curriculum in Emerging Countries

Nicole Stout (USA)

- 1030 – 1040 Lymphoedema Informatics
Zeeshan Sheikh (United Kingdom)
- 1040 – 1050 What Exercises Should Women With Invasive Breast Cancer Be Given After Axillary Node Dissection?
Jacqueline Todd (United Kingdom)

1030 – 1100 Morning Tea Exhibition, Parkside Foyer

Session 17A: Case Studies

Each case study presentation is 5 minutes. Please allow 2 minutes for questions and answers after each speaker.

1100 – 1240 **Oral Presentations**

Parkside 110A

Chair: Kerry Shanley and Co-Chair: Robert Carey

- 1100 – 1107 A Challenge Called Sofia
Alberto Gersman (Argentina)
- 1107 – 1114 Successful Management of Breast Cancer Related Lymphoedema Requires a Multidisciplinary Approach
Jean O'Toole (USA)
- 1114 – 1121 Case Study of Head and Neck Lymphoedema Post Right Level I To IV Neck Dissection
Jennifer Thompson (Australia)
- 1121 – 1128 Improving Stabilisation Patterns At The Hip/Trunk and Lymphatic Flow of the Arm-A Single Case Study of a Single Treatment.
Denise Stewart (Australia)
- 1128 – 1135 Case Presentation
Helen Skippen (Australia)
- 1135 – 1142 Reduction of Fibrosis In Secondary Arm Lymphoedema; A Single Case Study Investigating The Effectiveness of Five Different Therapies
Jan Douglass (Australia)
- 1142 – 1149 Three Case Studies Demonstrating Complete Therapy to Improve Outcomes in Previously Treated Lymphoedema
Jan Douglass (Australia)
- 1149 – 1156 Early Post Mastectomy Intervention: Blending Therapeutic Know-How
Kerryn Stingel (Australia)
- 1156 – 1203 Case Study: Unresolved Lymphoedema in FC – A 73 Year Old Sufferer of Femoral Artery Occlusion
Karen Malcolm (Australia)
- 1203 – 1210 A Complex Case Study-Where To Start?
Nicola Cosgriff (Australia)
- 1210 – 1217 Management of Post-Mastectomy Lymphoedema by Novel Vacuum Suction Device – A Case Report
Ville-Pekka Vuorinen (Finland)
- 1217 – 1224 Assessing Extra-Cellular Fluid Movement in Elevated Limbs
Trevor Day (Australia) and Olivia Meddings-Blaskett (Australia)
- 1224 – 1231 A Single Case Pilot Study to Investigate Lymphatic Collectors In Latent Breast Cancer Related Lymphoedema: Are They Dilated Or Normal?
Robert Carey (Australia)

- 1231 – 1238 Two Case Studies in the Use of Liposuction For Chronic Arm Lymphoedema Related Adiposity In Australia
Helen Mackie (Australia)

Session 17B: Novel, New and Innovative Ideas

1100 – 1231 Oral Presentations

Parkside 110B

Chair: Jane Wigg and Co-Chair: Sandro Michelini

- 1100 – 1107 Use of Low-Level Laser in Treatment of Experimental Lymphoedema
Michael Bernas (USA)
- 1107 – 1114 Manual Lymphatic Drainage in the Treatment and Prevention of (Malignant) Burn Scars
Annemarie Beintema (The Netherlands)
- 1114 – 1121 Melkersson-Rosenthal Syndrome – Restoration of Lymphatic Drainage
Andrzej Szuba (Poland)
- 1121 – 1128 The Search For New Ways of Lymphatic Outflow With Chronic Lymphatic Edemas of Low Extremities
Sergey Katorkin (Russia)
- 1128 – 1135 A Pilot Randomised Control Trial to Compare a New Intermittent Pneumatic Compression Device and 12-Chamber Garment with Current Best Practice in the Management of Limb Lymphoedema
Jane Wigg (United Kingdom)
- 1135 – 1142 Could Skin Therapy be Effective in Australia for Post Operative Melanoma Patients with Secondary Lymphoedema?
Malou Van Zanten (The Netherlands)
- 1142 – 1149 Proposing A Self-Manageable Twisting Tourniquet Decongestive Technique for Routine Adoption To Lymphoedema Patients
Wichai Ekataksin (Thailand)
- 1149 – 1156 A New Vacuum Suction Device for Management of Lymphoedema
Ville-Pekka Vuorinen (Finland)
- 1156 – 1203 Assessment of Volume Measurement of Breast Cancer-Related Lymphoedema with Three Methods; Circumference Measurement, Water Displacement and Dual Energy X-Ray Absorptiometry
Caroline Gjorup (Denmark)
- 1203 – 1210 The New Concept Of Lymphatic System
Zhiyu Liu (China)
- 1210 – 1217 Body Bounce for Physiological and Practical Benefits
Beverly Bazowski (Canada)
- 1217 – 1224 Decrease of Phlogistic Complications by Immunostimulation in Lymphoedema Patients: Preliminary Study
Sandro Michelini (Italy)
- 1224 – 1231 Possibility of Prevention and Therapeutic Strategies to Manage Lymphatic Injuries in Surgery and Trauma
Francesco Boccardo (ITALY)

Discussion Forum: Clinical Management of Lymphoedema

1100 – 1200

Parkside G04

Chair: Brenda Lee and Co-Chair: Kerryn Shonley

1240 – 1340 Lunch

Exhibition, Parkside Foyer

Session 19: Close of Congress

1340 – 1515

Parkside 110A

Chair: Neil Piller and Co-Chair: Håkan Brorson

1340 – 1345 European Congress of Lymphology 2010
Evangeos Dimakakos (Greece)

1345 – 1355 Presentation of 2011 Congress Outline
Håkan Brorson (Sweden)

1355 – 1455 General Assembly with Elections

1455 – 1515 Address to the General Assembly by the Incoming ISL President Professor Ruediger Baumeister
