

Posters are located in the foyer and are on display for the duration of the congress. Posters will be displayed according to session.

Poster sessions will be held during the lunch breaks.

Monday 21 September 2009

Poster Session: Tuesday 22 September 2009 from 1330-1400

Session 3B: Tomorrow - Will We Ever Be Able To Say - Lymphoedema, What Was That

- PO166 Survey of Compression Garment Practice of Lymphoedema Therapists Across Australasia
R Scheer, P Sanderson, J Phillips

Tuesday 22 September 2009

Poster Session: Tuesday 22 September 2009 from 1330-1400

Sessions 5: Lymphangiogenesis and Molecular Mechanisms of Control and Manipulation: The Microcirculation

- PO14 Experimental Assessment of Autologous Lymph Node Transplantation and Lymphangiogenic Growth Factor Therapy as Treatments for Post-Surgical Lymphoedema
A Baker, D Tobbia, J Semple, H Kim, D Dumont, M Shoichet, M Johnston
- PO94 T-Cells Regulate Lymph Node Lymphatic Sinuses
R Kataru, C S Jhang, GY Koh

Session 6B: Blood Tissue Lymph System

- PO96 The Role of Biomechanical Research in Monitoring of patients with Chronic Lymphovenous Insufficiency and Lymphostasis of the Lower Extremities
S Katorkin, E Katorkina
- PO72 Involvement of cGMP/PKG-mediated Pathway into Regulation of Lymphatic Contractility
O Y Gasheva, A A Gashev, D C Zawieja
- PO33 Lymphodynamics and Biochemical Composition of Lymph and Blood in Rats with Alloxan Induced Diabetes
L E Bulekbayeva, S N Abdrechov, A O Balchibekova, G A Demchenko
- PO146 Where Does Tissue Fluid Accumulate in Obstructive Lymphoedema?
W L Olszewski, M Zaleska, M Cakala, G Ambujam, P Jain
- PO80 Uterine Lymphatic and Blood Micro-Vessel Density in Women with and without Endometriosis
A J Hey-Cunningham, L Young, R Markham, I S Fraser
- PO19 A Simplified Method for Isolation of Human Brain Microvascular Endothelial Cells
M J Bernas, S K Daley, S H Ramirez, M A Brito, F L Cardoso, M Weinand, D Brites, M H Witte, Y Persidsky

Wednesday 23 September 2009

Poster Session: Wednesday 23 September 2009 from 1330-1400

Session 8B: Structural and Functional Imaging II

- PO219 Electroimpedance Mammography as a Method of Diagnostics of New Growths of Mammary Glands
I Yarema, B Urtaev, A Marchenko, O Danilevkaya
- PO35 Isotopic Lymphography is Indispensable for Diagnosis of Various Types of Limb Edema and Results of Physiotherapy
M Cakala, W L Olszewski, J Cwikla, M Durlik

PO188 Local Lymphatic Drainage is Impaired in patients with Multiple Symmetric Lipomatosis (Madelung Syndrome)
A Szuba, R Gutherc, R Zurawska, R Andrzejak

PO161 Imaging for Lymphoedema Diagnosis
A Purcell, H Gibbs, K Rooney, M Trevethan

Session 9B: Blood Tissue Lymph:Anatomy

PO221 Tissue Fluid/Lymph Cytokines -A Neglected Source of Damaged Tissue Healing Regulators
M Zaleska, W L Olszewski, M Cakala, G Ambujam, P Jain

PO53 Tissue Fluid/ Lymph Cytokines and Growth Factors Regulate Human Keratinocyte Proliferation and Differentiation
A Domaszewska-Szostek, M Zaleska, W L Olszewski

PO204 The Effect of Type 2 Diabetes and Aerobic Exercise Training on Lymphatic Biomarkers and Cardiovascular Function
L VanHoose, L Novikova, R Loganathan, P Patel, I Smirnova

PO47 Angiopoietin-2 Lymphatic Dysfunction and Melanoma Growth
S Daley, C Cherrington, D Kurtzman, A Carrasco, M Bernas, M Witte

PO59 Adventitial Lymphatics of Large Arteries and Atherosclerosis
K Drodz, P Dziegiel, M Podhorska-Okolow, D Patrzalek, D Janczak, R Andrzejak, A Szuba

Session 11C: Surgical Procedures

PO86 New Approaches to Debulking Procedures in very Advanced Lymphoedema of Lower Limbs
P Jain, W L Olszewski, J Victor

PO126 Lower Limb Lymphoedema Following Treatment for Vulval Cancer
A Mellon

Thursday 24 September 2009

Poster Session: Thursday 24 September 2009 from 1330-1400

Session 12B: Recognition, Treatment and Management of Lymphoedemas

PO112 A Review of Patient Limb Size as A Measure of Effectiveness of the Treatment for Lymphoedema Patients
J Maher

PO145 Tissue Fluid Pressure/Volume Relationship in Edema of Lower Limbs- Hints for Physiotherapy
W L Olszewski, M Zaleska, M Cakala, G Ambujam, F M Tripathi, P Jain

PO10 Temporal Analysis of Limb Volume Changes in Breast Cancer Lymphoedema Patients
S Paladugu, G Jason, R P Shook, J Armer, B Stewart, C-R Shyu

PO82 Different aspects From Cdp in Different Types of Breast Oedema
W Hoelen

PO11 Establishing a Means to assess Cross-Cultural Teaching and Student Learning of Critical Lymphoedema Management Curriculum
N Armer, M Schneider, J Armer, B Stewart, S Norton, N Stout

PO215 A Case for Specialist Practice
J Wigg

PO216 Education To Last -The Macmillan Lymphoedema Academy
J Todd

Session I3B: Conservative and Traditional Options II

- PO58 Complex Conservative Therapy in Patients with Upper Extremities Lymphoedema
R Dremov, A Larionov, E Silchuk
- PO118 Lymphoedema Problems at Rehabilitation: Need for Physiotherapy
K Mark, T B Mikkelsen
- PO222 Compression Therapy of Swollen Lower Limbs-Tissue Fluid Hydraulics, Clinical Effects
M Zaleska
- PO194 The Use of MLD in The Reduction of Swelling and Bruising in Sporting Injury
Y Thiel

Session I4B: Complementary, Alternate and Oriental Treatment II

- PO198 A Retrospective investigation into Changes in Upper Limb Extracellular (Ecf) Measure in Four Case Studies Taken in Combination of Low Level Laser Therapy (LLLT) and Manual Lymphatic Drainage (MLD)
S Tilley, A Thelander
- PO213 Future Directions -D.L.T. and Holistic Lymphoedema Management
R White

Session I5: Obesity and Lymphatics: Social and Quality of Life issues

- PO13 Degree of Satisfaction Putting on a Compression Garment Following Secondary Arm Lymphodema
K Backman Hällestrand, K Samuelsson

Friday 25 September 2009**Poster Session: Friday 25 September 2009 from 1300-1330****Session I6B: Teaching and Education**

- PO172 The Use of Patient information to Prevent Later Impairments After Breast Cancer Treatment
A Skördåker, E AfTrampe, L Pettersson, I-M Rangfast, U Steen-Zupanc
- PO32 Adoption of Self Management Improves Advanced Leg Lymphoedema
G Buckley
- PO12 A New Treatment Method for Breast Soft Tissue Fibrosis
K ashforth, S Morgner
- PO39 Twisting Tourniquet Decongestive Therapy for Lymphoedema Treatment
N Chanwimalueang
